

JACKSON COUNTY
PLAT OF SURVEY MINIMUM
STANDARDS CHECKLIST

This is the same checklist that the county offices will use in reviewing any plat prior to recording. No plat of survey will be recorded unless all the requirements of the checklist have been fulfilled. You are required to attach a completed and acknowledged copy of this checklist with each plat you present for recording.

Any plat within two miles of corporate limits of Maquoketa, Bellevue, Preston or Monmouth – appropriate approval of said plat must be acquired from that city.
