

Resolution No. 149-05-03-04

Jackson County, Iowa

Resolution to establish Entrance Permit Class and Fees

Whereas the Jackson County Board of Supervisors wishes to establish a driveway classification covering entrances ranging from special designed industrial entrances to the common field entrance and to also establish a fee structure for the permit for each type of classification. The classification and permit fees shall be as follows:

Class A Business Special design	\$150.00
Class B Business	\$100.00
Class C Farm	\$100.00
Class D Field	\$100.00
Class D Residential	\$100.00

The specifications for entrances Class B through Class D shall be as indicated by the drawings on the permit. The applicant for the permit shall be responsible for construction of the entrance per county specifications. Failure to comply with the specifications shall result in removal and reconstruction of the driveway at applicant's expense.

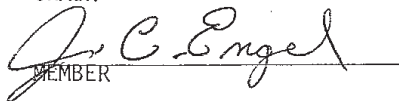

Registered Professional Engineer specializing in Highway/Road design shall do the specifications for Class A Business Special design entrances. The applicant for the permit shall be responsible for construction of the entrance per the special design specifications. Failure to comply with the specifications shall result in removal and reconstruction of the driveway at applicant's expense.

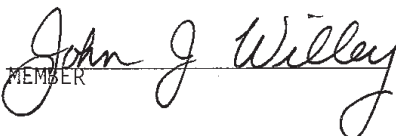

Passed and approved this 3rd day of May, 2004
