Shall the following amendment to the Constitution be adopted?

2

Summary: Provides that the lieutenant governor will act as the governor if there is a temporary disability of the governor. Further provides that the lieutenant governor or lieutenant governor-elect will be the governor or governor-elect in the case of the resignation, death, or permanent disability of the governor or governor-elect thus creating a vacancy in the office of lieutenant governor or lieutenant governor-elect, as appropriate.

Full Text: Section 17 of Article IV of the Constitution of the State of Iowa is repealed and the following adopted in lieu thereof:

Sec. 17. Lieutenant governor or lieutenant governor-elect to become or act as governor or governor-elect. If there is a temporary disability of the governor, the lieutenant governor shall act as governor until the disability is removed, or the governor dies, resigns, or is removed from office. In case of the death, resignation, or removal from office of the governor, the lieutenant governor shall become governor for the remainder of the term, which shall create a vacancy in the office of lieutenant governor. This section shall also apply, as appropriate, to the governor-elect and the lieutenant governor-elect.
