JACKSON COUNTY, IOWA
RECORDER

LANDMARK ENGINEERING GROUP INC. -511 SOUTH 4th STREET - CLINTON IOWA 52732

UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE

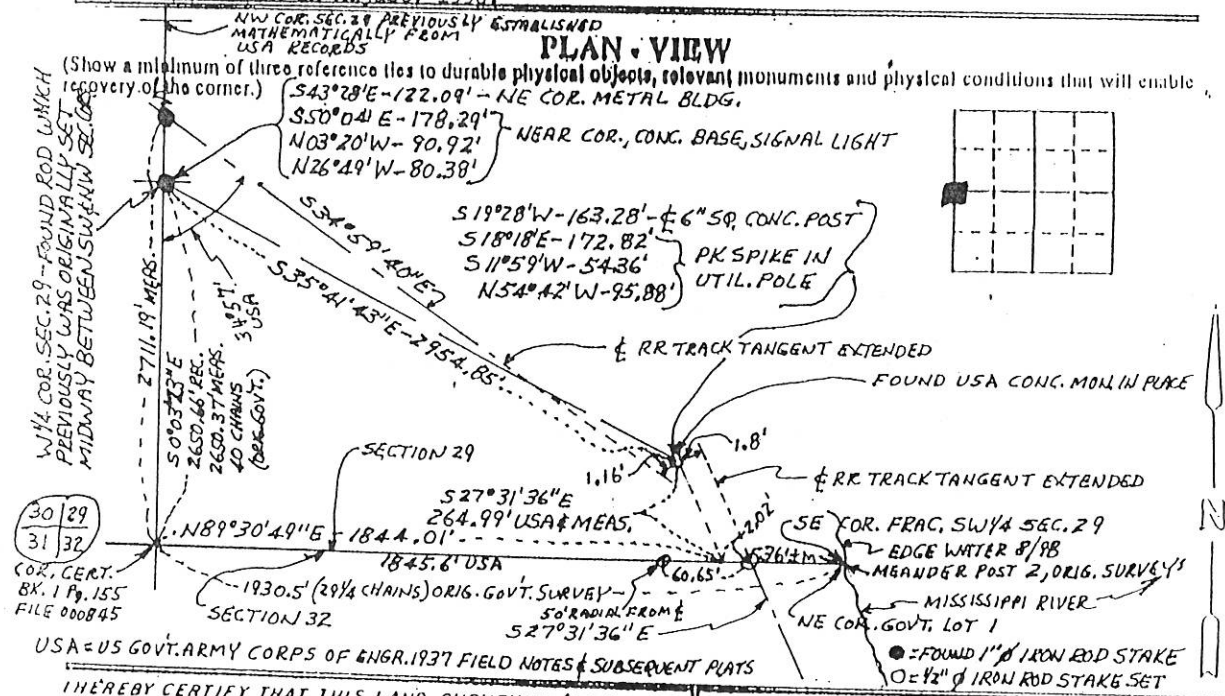

SLSI 9-90

OF

Land Survey Monuments situated in Section 29, Township 84 North, Range 7 East, of the Fifth Principal Meridian, Jackson County, Iowa.
Previously recorded in N/A in County Recorder's Office.

(Show reason for preparing this certificate, the evidence and detailed procedures used in establishing the corner positions and monumentation found or placed.)

Found 1" round iron rod stake at West 1/4 corner as explained below. Further, chapter 355.11 makes no provision for filing certificates on Government lot corners or meander corners; however, in this survey it was necessary to locate the south line of section 29 which terminated at the river, hence the South 1/4 corner was not originally set. Therefore undersigned believes it advisable to at least add information that shows and relates the relocation of the south line of section 29 to other known Government corners. Regarding surveys made for Story and for Anderson in August, 1998.
